VOTING INFORMATION FROM CHAIRS

• At the beginning of the session the chairs are invited to encourage participants to log into the interactive platform from where they will be able to ask and answer questions.

• Chairs will receive the questions from the audience and will select those for the speaker to answer.

• The speaker will answer questions after the MCQ session (see next slides).
VOTING SEQUENCE FOR SPEAKERS

• The voting slides will be displayed at the end of each presentation before the time for questions and discussion.

• Step 1: The speaker will read the question and possible answers.

• Step 2: The speaker will tell participants to vote and give them 1 minute to do so.

• Step 3: The speaker will discuss the answers and trends in the voting results.
